TOWN OF POTOMAC.
When the signature of Gov. Swanson to House bill No. 150, which was introduced by Delegate James R. Oton and passed by both branches of the legislature, shall have been obtained, the town of Potomac, in Alexandria county, a short distance north of this city, will be brought into existence.

The new corporation will embrace the villages of Del Ray, St. Elmo, and St. Asaph, and will be bounded on the south by Lloyd avenue, on the east by the Washington and Alexandria turnpike, on the north by the Georgetown road, and on the west by the Washington, Alexandria and Mount Vernon Railway tracks.

The bill authorizing the incorporation of the town provides for a mayor, clerk, sergeant, treasurer, and six councilmen, and names the following, who shall hold their respective offices until September 1, 1908, when officials to be chosen by the voters of the town will succeed them: Mayor, J. E. Seppel; clerk, George W. Zachary; sergeant, Richard H. Roberts; treasurer, Walter U. Varney; councilmen, William E. Kidwell, Charles A. Campbell, H. H. Powell, W. T. Emerson, J. V. Barrett, and J. A. Carpenter.

A meeting of residents of the villages mentioned was held in the Del Ray schoolhouse last night, when a proposition to extend the wires of the Alexandria Electric Company into the town for lighting and other purposes, was discussed with representatives of the electric company.

MARRIAGE.

A marriage license was issued in Washington yesterday to John W. Mullen, twenty-four years of age, and Miss Amelia Weiss, aged seventeen, of Rosslyn, Alexandria county, and they were married by Rev. Frederick B. Howden, in Washington. The bride and groom, it will be remembered, figured last September in an experience in which Mullen received a bullet wound in the mouth and one in one of his legs. Miss Weiss then asserted that both she and Mullen had been held up near Dead Man's Hollow, across the Aqueduct bridge, and that after Mullen had been beaten unconscious she was pursued by a negro and cruelly treated. Miss Weiss's brother Emilio, a waiter employed in Washington, was arrested on suspicion of assaulting Mullen. The next day Charles Weiss, another brother of the girl, was arrested on suspicion. A day or two later Mullen identified him as the assailant. Both brothers were shortly afterward released, and the case was dropped. Mr. Mullen filed with the clerk of the court yesterday the written consent of Jacob Weiss, father of the girl, to the marriage, she being under eighteen years of age.

TEACHERS' EXAMINATION.

The spring examination of teachers for the year 1908 will be held on April 30th and May 1st and 2nd; the summer examination will be held on July 29th, 30th and 31st.

Teachers may take either of these examinations, but all who do not expect to attend a summer institute should take the examination in May, as the result of the July examination for those who do not attend the summer schools may be made known too late for many teachers to contract for schools and may thus cause them inconvenience.

THE MARKET.

The supply of country produce in market this morning exceeded that of last Saturday, and there was a greater variety. Eggs sold at from 13 to 20 cents a dozen and good butter brought 35 cents a pound. poultry was still high. Other articles were offered at lower prices. There was a fine display of fresh fish but prices were unchanged.

Mr. John Riba, of Vienna, Va., says: "I have been selling DeWitt's Kidney and Bladder Pills for about a year and they give better satisfaction than any pill I ever sold. I have used them myself with fine results." Sold by W. F. Creighton & Co.

TRESPASSERS CAUGHT.

Mr. William A. Smoot captured John McCuen and Frank Wilkins in an early hour last night under suspicious circumstances. The two men were seen by Mr. Smoot tampering with some machinery on a sand dredge which is undergoing repairs at his wharf, foot of Princess street. When Mr. Smoot called to them, the men jumped overboard and started to swim out into the river, while another man in a small boat, which was near the dredge, rowed away as rapidly as possible. Mr. Smoot firing four shots at him in the meantime. The two men who swam away soon returned, nearly exhausted, came ashore and surrendered. Mr. Smoot marched them to his office at the point of his pistol, where he telephoned for the police. Chief Goods and Officer Talbot soon appeared and conducted the men to the station house. They were identified as John McCuen and Frank Wilkins. They refused to give the name of the man who escaped in the boat, but Lieutenant Betts and Officers Nicholson and Arrington took John Penn in custody at an early hour this morning, and he is acknowledged to be the man who managed to escape the bullets from Mr. Smoot's pistol. One ball, however, is said to have struck the boat. The accused will be brought before the Police Court Monday morning.

WANTS RECEIVER.

John W. Jefferson has entered suit in the Supreme Court of the District of Columbia against William G. Van Matre, whom he claims as a co-partner in the ownership of the Gem Theater on H street, northwest Washington, and another moving picture theater in the Opera House in this city, asking the court to compel Van Matre to recognize him as a co-partner and divide the profits. He claims that a year ago they entered into a verbal agreement by which they became partners in the Gem Theater, and later in this city. At the time, he declares, Van Matre discouraged the idea of articles of co-partnership, saying that between such good friends as they were legal documents were entirely unnecessary. Jefferson states in his bill that he was to receive one-third of the profits of both theaters, and that although he has received his share of the profits of the Washington show he has had none of profit from the exhibitions in this city. He asks the court to appoint a receiver for the shows, and to grant an injunction restraining Van Matre from withdrawing the theater funds in the Traders' National Bank and the National Bank of Washington.

W. A. & F. C. RAILWAY.

The report of the receivers of the W. A. & F. C. Railway has been made public and shows the financial affairs of the road to be in bad shape. It is said that there is a deficit in the treasury and that the receivers are confronted with a deficit of about \$82,000 for power, interest on bonds, etc., and in addition to this fact the receivers are operating the road now at a loss of probably thirty dollars a day on all accounts. This being the case there is little prospect of those who were injured in the accident on that road on July 3 last of securing damages.

FEAST OF PURIM.

Purim, the Jewish feast commemorative of the deliverance of the Jews out of the hands of Haman and his Persian coadjutors, will be celebrated on Monday evening by orthodox Israelites. There will be no services in the synagogue in this city on Monday. At the regular service last night the Book of Esther was read and prayers appropriate to Purim were recited. The occasion will in some instances be celebrated in private homes.

Watson, the newly elected colored city chairman of the republican party, in co-junction with the republican of the Eighth Congressional district will meet at 427 south Royal street next Monday night, to select two delegates to the Chicago national republican convention. The colored republicans of the Eighth district will be fully represented. The negro republicans of the Eighth district, say they mean business. Magnus L. Robinson is certain to be one of the delegates chosen and he has decided to go to Chicago, win or lose.

John McCuen, Frank Williams and John Penn, charged with the larceny of machinery belonging to W. A. Smoot. James Lucas, charged with stealing eggs from David Pearson.

FRONT TRUCK DERAILED.

The front truck of the tender of the locomotive attached to north bound Southern Railway passenger train No. 36, jumped the track on a bridge at Oak Ridge, about 144 miles from this city, early last night. The traffic on the road was delayed for a time, but there was no damage to the train and no persons were injured.

Inside of five minutes following the accident a crowd estimated at 4,000 or 5,000 people packed the streets—men, women and children struggling and jamming in a mad desire to see the injured men.
